

Department of Environment and Natural Resources
Environmental Management Bureau
Regional Office No. IV - CALABARZON

MEMORANDUM

TO : **All Hazardous Waste Generators
All Pollution Control Officers**

FROM : **The Regional Director
EMB RIV-CALABARZON Region**

SUBJECT : **DEADLINE FOR REGISTRATION OF HAZARDOUS WASTE
GENERATORS ON THE ON-LINE MANIFEST SYSTEM**

DATE : **NOV 04 2015**

In line with the provision of DAO 2013-22 (Revised Procedures and Standards for the Management of Hazardous Wastes), all waste generators are required to immediately register on-line and update its facility's information and hazardous waste generation (<http://philhazwastetracksys.com>).

Failure to register on-line will hinder a generator to access the on-line hazardous waste manifest system in transporting hazardous waste for offsite treatment, storage and disposal. As a result, no wastes shall be transported or treated without going through the on-line hazardous waste manifest system.

In this regard, please register on-line as a hazardous wastes generator on or before December 31, 2015, otherwise, this Office shall impose the appropriate sanctions or penalties.

For your strict compliance.

ENGR. CARLOS S. MAGNO
Regional Director
