

Environmental Management Bureau – CALABARZON Regional Director Noemi A. Paranada and EMB 4A personnel distributed relief goods and monetary assistance in Amadeo Cavite on January 22, 2019. Amadeo is part of the 14km. radius danger zone which means they would be hit hardest in the event of a hazardous eruption. All families in the visited evacuation site were provided with food packs, hygiene kits, beddings, reusable mugs, among others. The evacuees expressed their appreciation for the aid and assistance provided by agency.
