

Environmental Management Bureau – CALABARZON Region participated in the capacity development program on climate change particularly on the conduct of GHG Entity-level inventory for the Environmentally Critical Projects (ECPs), Mines and Geosciences Bureau (MGB) and Environment and Natural Resources Offices (ENROs). The two-day webinar/workshop was hosted by Environmental Management Bureau Luzon Cluster - Regional Climate Change Unit (RCCU), conducted in preparation for the Climate Change Consciousness Week 2020 via Microsoft Teams on October 19-20, 2020. EMB Region 3 EMED Chief Engr. Dennis Celestial welcomed the participants in behalf of RD Wilson Trajeco. Resource Speakers were James Romero of R3, Rhean Gelyn Garcia of NCR, Rae Nikka Pablo of R4a and Ms Luz C. Silva from the EMB Central Office.
