To further promote and strengthen awareness of the said campaign, Ms. Rysa D. Deron, OIC EEI Section, elucidated the objectives, categories and mechanics of the program. Meanwhile, Information Officer Maria Aurora F. Mon discussed the awards and prizes to be received by the winners.

The EMB CALABARZON, through this program, urges children, at their early age, to become aware of the environmental impacts of poor solid waste management, air and water pollution and excessive

energy consumption. "We would like to inspire and encourage children to observe friendly practices like proper waste disposal because even in their own small way it generates great impact" Ms.
