

IMUS NATIONAL HIGH SCHOOL LAUNCHES GREEN SCHOOL PROGRAM

Environmental Management Bureau- CALABARZON Regional Director Noemi A. Paranada together with DepEd IV-A Regional Director Dr. Diosdado M. San Antonio, City Mayor of Imus Hon. Emmanuel Maliksi and OIC-SDS Dr. Hermogenes M. Panganiban, graced the *Launching of Green School Program* last February 18, 2019 held at Imus National High School, Bucandala, City of Imus. The launching of Green School Program aims to help in the implementation of greening concept of all public schools in the City of Imus, creating a healthy environment while saving energy, water, and other resources, and taking an integrated approach in to addressing issues on energy conservation using sustainable technology systems. During the said event, a memorandum of agreement which strengthens the collaboration between DepEd and the City of Imus was also signed to implement R.A. 9512 more effectively. The beneficiaries of this program include thirty-five (35) public schools composed of elementary, junior high and senior high schools.
