

2nd Adopt-an-Estero Water Body Program Partners Quarterly Meeting

EMB CALABARZON personnel headed by For. Girliesina E. Sebarillo, OIC WQMS and Focal Person of Adopt-an-Estero Program spearheaded the 2nd Adopt-an-Estero Quarterly Meeting last May 31, 2019 at Annex Board Room LIMA Technology Center, Malvar, Batangas. It was attended by Pollution Control Officers and Program Partners from various industries and LGUs. The objective of the meeting was to inform them about the Expanded Memorandum of Agreement of adopted rivers under the said program. Also, it will be a great venue to introduce Ms. Bercero, PCO of RFM Corporation as a recipient of Women in Water Award and gave insights on her contributions and advocacy to revive the water bodies in our country especially their adopted river/creek. In addition, the effectiveness of Bokashi Ball in cleaning water bodies was also discussed.
