

Environmental Management Bureau - CALABARZON Region led the signing of Memorandum of Agreements (MOAs) for new adopters and expanded adopters of "Adopt-a-River Water Body" program on Tuesday, 17 December 2019 at the EMB Calabarzon Regional Office in Ermita Manila. Sardido Industries committed to extend current protection of Obispo River from 2Km to 7km. Meanwhile, RVN Mineral water Resort, which is currently protecting Maguyam-Makawayan Creek and Central Azucarera Don Pedro Inc (CADPI), protecting Palico-Lian River, both committed to stretch their protection from 1Km to 2Km. Five (5) new Adopters also entered into an agreement with the EMB-R4A to adopt and care for stretches of waterways within Cavite. These include Toshiba, Johanna's Chicken Processing Center Inc., Alta Rios Resorts Inc., Villa Felomena Spring Resorts and Villa Coleman Resorts.
