

The Environmental Management Bureau CALABARZON Region on April 7, 2020 donated sanitary supplies for the front liners of Binakayan Hospital and Medical Center and San Pedro Calungsod Medical Center who are fighting against the coronavirus disease (COVID-19). The donations brought by Ms. Kathleen Christine Aquino (Chemist) would ensure that the front liners will have enough supplies while attending to persons under investigation, persons under monitoring, and COVID-19 positive cases.

The Environmental Management Bureau CALABARZON Region on April 7, 2020 donated sanitary supplies for the front liners of UP-PGH who are fighting against the coronavirus disease (COVID-19). The donation consists of 10 boxes of Solbac disinfectant spray (12 cans per box), 3 boxes insecticide spray (12cans per box), 3 boxes air freshener (12cans per box), 12 pcs mop head, 5 boxes tissue paper (8 packs of 12 rolls per box), 8pcs toilet bowl cleaner and 2pcs scented power cleanser.

The donation brought by Mr. Cesar Bugayong (Admin Officer III) would ensure that the front liners will have enough supplies while attending to persons under investigation, persons under monitoring, and COVID-19 positive cases.
