

Environmental Management Bureau – CALABARZON Region is committed to the security, safety and health of all employees, visitors, clients and stakeholders. EMBR4A is all set this New Year 2021 implementing safety protocols to cater scheduled skeletal workforce and clients. Upon entering office premises, clients must step on sanitized foot bath, check body temperature and sanitize hands with alcohol. Clients who are below 20 years old and 60years old and above and those with pre-existing illness and those not wearing face mask won't be allowed to enter. Clients will have to wait for their turn on the lobby where physical distancing of at least one meter is strongly imposed. This is in Pursuant to the IATF-EID Guidelines and Policies and consistent with the DOH AO No. 2020-0015 dated 27 April 2020 and the Department Memorandum Circular 2020-05 issued by Secretary Roy A. Cimatu on May 12, 2020,
