

**Environmental Management Bureau – CALABARZON Region** joined the webinar spearheaded by Department of Energy- Natural Gas Management Division of Oil Industry Management Bureau (NGMD-OIMB) on February 23, 2021 through Microsoft Teams. This is to create awareness on natural gas and its development program, develop a well-informed group on natural gas to support its future development program, and most notably to facilitate local permitting of natural gas related projects. The virtual IEC was hosted by Senior SRS Ms Charlene A Dacumos. Supervising SRS, Engr. Don Honor Jacob and Senior SRS Engr. Jessol Salvo discussed “Downstream Natural Gas Industry”.
