

Environmental Management Bureau – CALABARZON Region validated an open dumpsite in Brgy. Inabuan, San Francisco, Quezon on March 4, 2021. Senior Environmental Management Specialist (SEMS), Ruby F. Sarmiento and Provincial Environmental Management Officer (PEMO) Quezon Gliceria S. **Verzo spearheaded the monitoring with Community Environment and Natural Resources Officer (CENRO) Lupo T. Telan**, Municipal Environment and Natural Resources Officer (MENRO) Rico P. Edades and Engr. Mark Jason R. Carabido of San Francisco Quezon Local Government Unit (LGU). Upon confirmation, the open dumpsite no longer operates as they voluntarily closed it in accordance with R.A 9003 or Ecological Solid Waste Management Act of 2000.
