

ENVIRONMENTAL MANAGEMENT BUREAU - CALABARZON Region conducted a webinar entitled “*Valuing Water*” via Microsoft Teams platform on March 22, 2021 spearheaded by Environmental Education and Information Section. It was attended mostly by government employees from DENR offices and Local Government Units, Pollution Control Officers of private industries, and teachers from CALABARZON Region. Engr. Wilfredo Billones, Manila Bay Program Focal Person, discussed “Water: Its Sources, Uses, Importance and The Value of Water to the Economy, Society and Nature” while Ms. Billie Dumaliang, Masungi Georeserve Foundation Advocacy Officer and Trustee, shared their experiences on Integrated Water Resources Management and Water Change Maker Awards.
