

Environmental Management Bureau – CALABARZON Region Division and Section Chiefs attended and participated in the online “Training on Coaching Course Design” facilitated by DENR Central Office on April 07, 2021 via Microsoft Teams platform. Ms Karen Ann F. Pacpaco, Officer-in-Charge, Environmental Education and Information Division, lectured on “Understanding the Importance of Coaching” while For. Wilson E. Henson, Chief, Training and Development Division Human Resource Development Service, discussed the “DENR Guidelines on the Formation of Coaching Plan and Coaching Form.” Presentations were followed by workshop on drafting Coaching Plan and Coaching Form and reporting by the representatives of selected regions.
