

Environmental Management Bureau – CALABARZON Region is dedicated to ensuring the security and safety of all its employees, clients, and stakeholders. The updated protocol has been rolled out in compliance with Malacañang Memorandum Circular No. 87, IATF Resolution No. 130-A dated July 29, 2021, declaring NCR (NATIONAL CAPITAL REGION) under ECQ (Enhanced Community Quarantine) from August 6 until August 20. The said protocol was sent by Mr. Alexander Linde, the designated building Administrator, on August 11, 2021. Entry restrictions have been limited to personnel included in the skeletal workforce only, clients who have secured an appointment online can only stay in the lobby for their scheduled transaction and the elevator limit has been reduced to only 2 passengers to name a few. Daily disinfection and use of face masks and face shields are still practiced.
