

Environmental Management Bureau – CALABARZON Region celebrated the National Zero Waste Month 2022 with the theme “Fast Tracking the Total Solid Waste Management Solution for a Sustainable-Driven Philippines” by hosting a webinar on January 28, 2021 via Microsoft Teams. The event was spearheaded by Environmental Education and Information Section in partnership with Solid Waste Management Division and was attended by LGUs. The speaker, For. Corazon Gasapos discussed the Salient Provisions of RA 9003 or Ecological Solid Waste Management Act of 2000 and the Status of the Ecological Solid Waste Management in CALABARZON, while For. Editha Eusebio shared the Best Practices of Malvar Batangas.
