Environmental Management Bureau – CALABARZON Region through its Management Information System, organized a Canva Graphic Design Training on March 9, 2022, via Zoom Meeting. The virtual event was hosted by Filipina Homebased Moms' (FHMOM) CEO and founder, Maria Korina Bertulfo who also conducted the training. She discussed Graphic Designs, their elements, and principles; Canva, Canva features, and capabilities. It was attended by twenty-one (21) EMBR4A employees/representatives from different EMBR4A divisions and sections to capacitate them in making infographics, poster announcements, and PowerPoint presentations relevant to Information Education and Communication campaigns.
