

Environmental Management Bureau – CALABARZON Region through its Gender and Development Program organized a webinar on February 3-4 through Microsoft Teams. The Capacity Building of EMB Employees on Environmental Monitoring Protocols and Report Preparation aims to capacitate its employees to be more efficient public servants. EMB CALABARZON Regional Director Noemi A. Paranada graced the virtual event and expressed her appreciation that part of the webinar is Time Management as it is an important part of public service to be reliable in doing their parts. She also thanked everyone for their dedication and perseverance despite the challenges brought by the pandemic. Dr. Dave Vincent Mangilet, CPM a professor in De La Salle University gave a lecture on Time Management Skills then Mr. Majore Rendorio, OIC for Environmental Impact Assessment-Compliance Monitoring discussed EIA Monitoring for the First day. On the 2nd day, For. Corazon Gasapos, OIC Ecological Solid Waste Management Section, gave her lecture on Solid Waste Monitoring, followed by Engr Adonis Tomaro, OIC Air Quality Permitting Section who discussed Air Quality Monitoring and lastly, Engr. Jhon Christopher Emalada, EMS II, gave a lecture on Chemical and Hazardous Waste Monitoring.
