

**Environmental Management Bureau – CALABARZON Region**'s Regional Director, Noemi A. Paranada led the turn-over of fifty (50) yellow trash bins and a hundred (100) trash bags to the City Government of Bacoor on March 7, 2022 at the EMBR4A Regional Office. Received by Hon. Mayor Lani Mercado, the yellow trash bins shall be used exclusively for health care wastes generated such as used face masks. This is in line with the Department of Environment and Natural Resources support to the National Solid Waste Management Commission Resolution No. 1364, s. 2020: Adopting the Interim Guidelines on the Management of COVID-19 Related Health Care Waste, and; Resolution No. 1429, s. 2021: Resolution Enjoining All National Government Agencies to Provide Yellow Bins in their Respective Premises for the Proper Storage of Household Health Care Wastes and to Coordinate with their Respective Local Government Units for the Collection, Transport, Treatment, and Disposal of Such Wastes.
