

Environmental Management Bureau – CALABARZON Region PEMU Batangas conducts an IEC activity in partnership with Atlantic, Gulf and Pacific of Manila (A,G&P) in Brgy. San Roque, Bauan, Batangas on April 28, 2022 as part of the celebration of Environment Month. Ms. Luisa Magboo, Batangas Provincial Environmental Management Officer, discussed the Ecological Solid Waste Management Act with emphasis on the role of households and local government unit - barangay level. Due to the great volume of face masks generated in the province brought by the COVID-19 pandemic, PEMO Batangas saw the need to focus on the proper disposal of healthcare waste. The activity was attended by 20 barangay health workers and 10 A,G&P personnel.
