

Environmental Management Bureau – CALABARZON Region conducted a coastal clean up activity along the 800-meter stretch of Long Beach, Brgy. San Rafael 4, Noveleta, Cavite on May 31, 2022 in celebration of National Month of the Ocean. The activity was spearheaded by EMB- Water Quality Management Division OIC, Girliesina Sebarillo and Provincial Environmental Management Unit (PEMU) Cavite, Adan Umipig. Present in the activity were the officials and volunteers from MENRO Noveleta, Noveleta Maritime Police, General Service Office Street sweepers, and Noveleta River Rangers. A total of 45 sacks (576 Kgs.) of solid waste were collected and will be disposed to the Philippine Ecology Navotas Sanitary Landfill.
