

**Environmental Management Bureau – CALABARZON Region (EMBR4A)** through the leadership of Regional Director For. Noemi A. Paranada conducted an EMBR4A Eagle Awards in Taal Vista Hotel on July 14, 2022. The Eagle plaques were awarded to the Division and Section Chiefs of EMB R4A for their exemplary service amidst the pandemic. OIC of Solid Waste Management Section, For. Corazon Gasapos in her speech emphasized that even if they didn't receive any recognition outside the office means they are not doing well because everyday, they show up and get the job done; even when they were ill they work after hours just to make sure reports are submitted and deadlines are met. RD Noemi complimented all the awardees for a well deserved recognition and challenged them to beat their own best.
