

Environmental Management Bureau – CALABARZON Region (EMBR4A) conducts face-to-face training on the Environmental Laws for the implementation of Devolution Transition Plan on October 12-14, 2022, at Canyon Woods Resort Club – Laurel, Batangas. The training covered the proposed devolved functions under RA9275, RA8749 and RA9003 and was attended by representatives from MENROs, CENROs, PG Enros within CALABARZON Region. EMBR4A Regional Director Noemi A. Paranada graced the event and shared Inspirational Message. Some participants were given the chance to do hands-on with the equipment brought by the Air Monitoring Division on Day 1. Water Quality Monitoring Section also showed the correct way to do water sampling on Day 2 while the Ecological Solid Waste Management Section addressed questions from the participants.
