

**Environmental Management Bureau – CALABARZON Region (EMBR4A)** through its Gender and Development Program, organized a 4-day webinar series as part of the 18-day campaign to end VAWC with theme “United for a VAW-FREE Philippines” on November 25, 28, December 1 and 2, 2022 via MS Teams and broadcasted on the official Facebook Page of EMBR4A. The webinar on December 1-2, 2022 focuses on educating its employees and the public on how to better protect the human rights of women and girls and how to address all forms of gender-based violence. Atty Eric Peralta from the National Gender Resource Pool of PCW discussed Appreciation on Committee on decorum and Investigation (CODI); Dir. Hans R Alcantara from Civil Service Commission gave a lecture on Public Service and Safety Health Act and Strategic Performance Management System (SPMS); Prof. Sabina Laya Gacad, founder of Lunas Collective talked about Gender Based Violence as Dr. Jea Agnes Buera discussed Mental Health in Managing Emerging Health Issues in the workplace – Seeking mental health when you need it.
